REMARKS

Bill - - I discussed the
attached with [redacted] earlier
today. He suggested I send it
to you for handling.

Following Senate Govt Ops. Cte.
hearings on S. 1439 relating to nuclear
exports, the Cte. requested Govt
witnesses to respond to a number
of questions in writing. ACOA's
responses are attached. I

25X1

believe CIA will be
particularly interested in
the proposed ACOA reply
to question 2, p. 1.

Would like to know
if CIA has any problems
with the ACOA package by
no later than noon
tomorrow (3/10/76) -- The
Cte. is pressing for these
replies.
